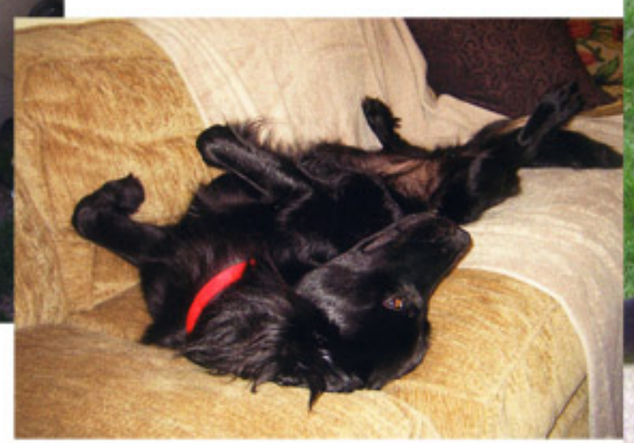
Dear Chula Vista Animal Center Staff,

three weeks ago we adopted a black Border Collie - Jewels - from your shelter. We just want to let you know that she is doing great. She is an amazing dog and we are really happy we found her (hopefully, she thinks the same about us). She is very grateful for attention and she learns very fast. We started attending obedience classes with her and she seems to like them. Even though we initially observed some leash agression, she gets along with other dogs very well. However, when we go to a dog park, she can't deny that she is a herding breed ☺. She is a very sweet dog, it is hard to believe that somebody wouldn't want her (she was adopted and returned before). Thank you for all the great work you do. We wish you and all your animals good luck, hopefully, they will all find families that will love them.


Thank you! Nikola & Gary Kaminsky
