A - ADVISORY VOTE ONLY - Should the Governor and Legislature of the State of California be advised that: It is the will of the people of the City of Chula Vista that the Governor and Legislature apportion the existing six cents sales and use tax so that two cents rather than the present one cent be allocated to be used by cities and counties and special districts for priority local services rather than by the state for state distribution or state reserves. It is understood that if the Governor and Legislature so act, any funds resulting therefrom which would cause the city to exceed a spending limit imposed by a vote of the people of the City of Chula Vista or the State of California shall, in accordance with the provisions of the limitation, be returned to the people. Further, it is the will of the people that the governor and Legislature enact such allocation into law no later than July 1, 1980, to avoid enactment of this proposal through the initiative process to cure legislative default.	5,965	732	won
