AGREEMENT

We hereby agree to have continuous special inspection, sampling and testing as specified on the approved permitted plans and specifications. We will further agree that the work will be performed in the manner prescribed by the California Building Code and the Standards as amended by the City of Chula Vista and other regulations.

We understand that the property owner or the engineer/architect of record acting as the property owner's agent is solely responsible for employment of one or more special inspectors who shall provide inspections for fabrication of the components described herein. We also agree to provide unlimited access to the fabrication areas, the materials storage and mixing areas, other related areas, the approved shop drawings and other documents for the purpose of inspection, sampling and testing by the special inspectors, construction materials testing laboratory or Planning and Building Department personnel during working hours. We further agree to provide an identifying mark on each fabricated member or component shipped to the to the construction site. A certificate of compliance and a shipping list shall accompany each shipment and a copy shall be sent to the Building Division Inspection Section and the architect or engineer of record when the components are shipped.

This agreement is limited to fabrication of the components or members described above to be used in the structures identified by the permit numbers shown and is not transferable to any other fabrication work or other construction sites.
