Field Plan Review of Fire Sprinkler System Modifications (Tenant Improvement)

Name of Project: _____ Submittal Date: _____

Project Address (range): _____

City's Permit Number: _____ Installing Contractor's City of Chula Vista Business License #: _____

Installing Contractor: _____ Contractor License #: _____

Contractor Address: _____ City: _____ State: _____ Zip: _____

Contact Person: _____ Phone: (____) _____ Fax: (____) _____

Company / Person paying for permit: _____ Phone: (____) _____

Field Plan Review of Fire Sprinkler System Modifications is optional on modifications involving twenty (20) or fewer sprinklers and required on modifications involving five (5) or fewer sprinklers.

Please verify that Plans and Scope of Work meet the following criteria:

- | Yes | No | |
|--------------------------|--------------------------|--|
| <input type="checkbox"/> | <input type="checkbox"/> | The modification involves twenty (20) or fewer sprinklers. |
| <input type="checkbox"/> | <input type="checkbox"/> | The modification is on a sprinkler system protecting a light hazard or ordinary hazard occupancy. |
| <input type="checkbox"/> | <input type="checkbox"/> | The modification is arranged so that hydraulic calculations are not required (e.g. including but not limited to (a) one fire sprinkler per existing outlet (b) one mechanical tee per branchline (c) similar pipe size and arrangement (d) same K-factor). |
| <input type="checkbox"/> | <input type="checkbox"/> | The modification does not require changes to seismic bracing. |

If any of the boxes are marked "No", then the project does not meet the scope criteria for a Field Plan Review. Submit plans for review using a tenant improvement application instead.

Check/Mark ✓ if applicable, indicate quantity, multiply with fee amount and type/write subtotal. Add subtotals in TOTAL box.

✓	#	Field Plan Review: Fire Sprinkler Systems Tenant Improvement [per line item]	Fee	x Qty	Subtotal \$
	2.1	Sprinkler Tenant Improvement [base fee per suite includes first 50 sprinklers]	\$360.00		\$
	2.8	Submittals for five (5) or fewer sprinklers.	\$131.00		\$
TOTAL					\$

*Failed/Re-inspections are subject to an additional fee of \$262.00.

Arrange for inspection when submitting application or by calling 619-691-5055. Inspections are scheduled 72 hours in advance. The following items must be available for review on the jobsite at the time of inspection:

- A copy of the plans demonstrating compliance with with NFPA 13, 2002 edition, the Chula Vista Fire Department Guidelines for Automatic Fire Sprinkler Systems and the above scope criteria.
- Legible plans on 8 1/2 x 11 sheets (suitable for scanning by the fire prevention office) shall be available at the time of inspection. A TIFF file on CD shall accompany plans when larger than 8 1/2 x 11 format. Changes to larger format plans during the inspection will require that as-built plans and a revised TIFF file be prepared and submitted.
- Product data sheets for all products used in the tenant improvement project as well as product data for existing sprinklers or other material where compatibility may be an issue.
- The completed Field Plan Review of Fire Sprinkler System Modifications application with proof of payment.
- Access to all work completed as part of the modification.
- Contractor's Material and Test Certificate for Aboveground Piping.
- A completed and signed Fire Sprinkler System Pre-Test Verification form.
