

CLIMATE CHANGE WORKING GROUP

Evaluation & Prioritization Process

Brendan Reed

Environmental Resource Manager

CCWG-AP Framework

- CCWG under Resource Conservation Commission
- Residents, businesses, community groups, & Ex Officio members
- Assist with developing a list of recommended Climate Adaptation strategies for Council consideration
- Reach consensus to meet all stakeholders' needs
- Engage the general public in process
- Short timeframe
- Multi-department involvement

Evaluation & Prioritization Process

- Guiding Principles & Past CCWG Evaluation Criteria
- Proposed Initial Criteria (1st Round)
 1. Measure within City jurisdiction
 2. Complements mitigation measures, but doesn't duplicate or counter
 3. No short-term impact to General Fund
- Additional Criteria (2nd Round)

Process Timeline

- May 26th - Review initial evaluation criteria
- June 16th - Public workshop (Norman Park Center)
- June 30th - Review evaluation results & discuss add'l criteria
- July 14th - Refine the measures based on evaluation results
- July 28th - Review draft list of recommended measures
- Aug 9th - Public workshop/RCC meeting
- Aug 11th - Approve list of recommended measures
