

Development Services Department

The City of Chula Vista's online [Citizen Access](#) Portal provides citizens, businesses, and visitors access online, 24 hours a day, 7 days a week to:

1. Research public information such as building permit information.
2. View and track the status of your application.
3. Schedule an inspection.
4. Submit an application for and issue minor residential permits (e.g. electric meter reset, miscellaneous wiring, water heater replacement, water line repair or alteration, gas meter reset, gas line repair or alteration, installation or replacement of FAU and A/C units) with a registered account.

Home Building Planning Land Development

Welcome to Citizen Access
You **do not need to register** to schedule inspections or research applications. To schedule an inspection click on Schedule an Inspection under Building and follow the prompts.

Registration is only required for licensed contractors who want to pull certain minor, residential utility permits via Citizen Access. Before you can register, you have to complete and submit a Citizen Access Registration form to the Development Services Department. [The registration form is available on the City's website.](#)
