

FREE Recycling Collection Containers for Chula Vista Businesses

Want to save your business money while helping the environment?

Let us help you do just that for **FREE!**

We'll provide businesses in Chula Vista with:

- Recycling collection containers
- Signage, posters and brochures
- Employee education

The City of Chula Vista has reached a 67% recycling rate, but our goal is the State requirement of 75%. Let's reach this goal together! Recycling provides opportunities to create jobs, reduce greenhouse gas emissions, save money, and create a healthy environment for businesses, their employees, and the community.
