Ways to Save

Save money,
conserve
energy
and help
protect our
environment.

Ways to Save

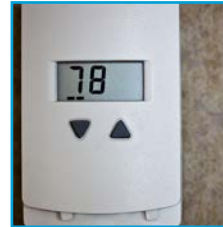

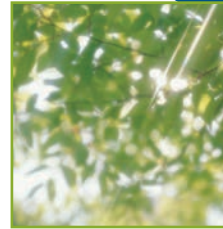

There are many ways to save.

Programs and tips to help conserve...

- 1 SDG&E® MARKETPLACE:**
Find energy-saving products and easily apply for rebates at <https://marketplace.sdge.com/>.
- 2 REBATES FOR UPGRADES:**
Home Upgrade - Energy Upgrade California® - Whole home energy efficiency improvements not only help you save energy and money but also enhance indoor air quality – making your home more livable and your family more comfortable. Learn more here: <https://homeupgrade.org/>.
- 3 ASSISTANCE PROGRAMS:**
Offers both an energy bill discount and no-cost energy-efficient home improvements to qualifying customers based on household size and total household income. To learn more or sign up please visit www.sdge.com/assistance.
- 4 FIND FINANCING:**
Search through a statewide database of financing programs to find the best on for you at www.gogreenfinancing.com.
- 5 KNOW YOUR ENERGY USE.**
Sign up for MyAccount at sdge.com to pay bills online, analyze your bill and view your detailed energy usage.

- Replace traditional bulbs with compact fluorescent lights (CFLs) or light emitting diodes (LEDs).
- Turn off or set timers for lights. Install occupancy sensors to turn off lights when no one is around.
- Minimize “energy vampires” by unplugging devices, turning off power strips, or by using smart energy saving power strips. **Check out a Kill-A-Watt® from your local library branch** to find out how much energy your devices are using.
- Turn off computer equipment at the power source.
- Plant shade trees around your house.
- Set your heater to 68 °F during the day and 55 °F at night.
- Set your air conditioner to 78° F or higher during the day and off during the night.
- Set your water heater temperature to 120° F (140° F with a dishwasher).
- Wash/rinse clothes in cold water and line dry.
- Only purchase highest-rated ENERGY STAR® appliances and equipment.
- Take shorter showers! Five-minute showers save energy and water.
- Use low-flow aerators and shower heads.

Contact SDG&E's Energy Saving Center at (800) 644-6133 or email ESC@semprautilities.com. If you have questions about any information in this brochure, call a City of Chula Vista Conservation Associate at (619) 409-3893.

Be a CLEAN Champion!

Do you know a Chula Vista resident who goes above and beyond to ensure that Chula Vista is clean, green and sustainable? Nominate them for the residential CLEAN Champion Award and a chance to be recognized at a City Council meeting!

Past winners have upgraded their home to the most energy efficient products and have had a strong commitment to helping others take similar actions.

The CLEAN Champion application is available at www.chulavistaca.gov/clean.

Your Community. Your Environment. Your Choice.
