

Hotel/Motel Name: \_\_\_\_\_

## ENVIRONMENTAL HEALTH REPORT – HOTELS AND MOTELS

### INSTRUCTIONS TO THE INSPECTOR:

All areas of the building and grounds and all guestrooms shall be inspected for the following items. Please initial each item that is in compliance. Any item not in compliance shall be detailed on the back of this sheet. Issues not covered by these items that are in violation of government statute shall also be reported in detail on the back of this sheet.

\_\_\_\_\_ The hotel/motel does not have any interior or exterior areas where stagnant water has accumulated.

\_\_\_\_\_ All necessary means have been employed to eliminate and control infestations of insects and rodents on the premises of any hotel/motel. "Insects" include, but are not limited to, lice, bedbugs, fleas, blood-sucking conenoses, roaches, flies, bees, and the larva and eggs of aforesaid insects. "Rodent" includes, but is not limited to, mice, rats, opossums and squirrels. Exterior monitoring traps for rodents are present.

Exempt \_\_\_\_\_ Soap and toilet tissue in suitable dispensers and individual towels or other approved hand-drying facilities and suitable waste receptacles with lids are provided in each rest room.

\_\_\_\_\_ Floors, walls and ceilings of guestrooms are constructed and maintained as to be easily cleanable and are clean and in good repair.

Exempt \_\_\_\_\_ Mattresses, mattress covers, quilts, blankets, pillows, pillow slips, sheets, comforters, and other bedding is clean and is in good repair.

Exempt \_\_\_\_\_ Guestrooms are supplied with a lavatory, hand soap, and clean towels for each guest.

Exempt \_\_\_\_\_ All eating and drinking utensils in guestrooms are either single use service or are washed, sanitized, and protected from subsequent contamination.

\_\_\_\_\_ There are no ice machines on the property that allow dispensing of ice from storage bins where the general public has free access. **(no ice machines on property)**

\_\_\_\_\_ All rubbish, waste containers, and dumpsters located on the premises are free of accumulations of refuse, dirt and waste products that are subject to decomposition and fermentation.

\_\_\_\_\_ If the hotel/motel has a pool, basic safety equipment is present and the water is clear. **(no pool)**
