## STORY SPOTLIGHT: SPREADING S'MORE LOVE AT SALT CREEK CENTER

There was only one way to celebrate National S'mores Day on Friday August 10th at Salt Creek Community Center and Park. Kids ages 3-12 along with their families joined in on the fun by making their own s'mores, singing songs and playing games.

Did you know that the most popular campfire treat is recognized annually on August 10th? The Guinness World Record for number of people making s'mores at one time was 423. Salt Creek Center regularly offers free afterschool activities Monday- Friday with free fun monthly events like this. Mark your calendars for National Cream Filled Donut Day on September 14th at 2:30pm.
