Dear Neighbor:

I was proudly raised in Southwest Chula Vista and am the product of Chula Vista's public schools. I have been afforded many opportunities throughout my life, from the ability to pursue higher education, to serving South Bay communities through my work in government and non-profits.

I am deeply concerned that many of our students, families and veterans are now homeless. Housing and rent costs are getting higher and higher in our community, pushing many of our longtime residents out of their homes. My experience working with multiple levels of government and countless local organizations have equipped me with the knowledge needed to bring real housing solutions to our city.

Our citizens deserve access to good paying local jobs and the assurance that one job should be enough.

Every resident in Chula Vista should be able to feel safe in their neighborhood. That is why I will be focused on addressing our City's public safety needs, that for too long we have failed to meet.

I am ready to hit the ground running on day one.

Please learn more about my vision by visiting www.andreacardenas.com

I humbly ask for your support and vote on March 3rd.

Sincerely,

Andrea Cardenas
