The fee required for applications subsequent to a violation of Title 19 of the CVMC shall be double the amount that would normally be required. If the normal application requires a deposit, the normal deposit is also double.

FULL COST RECOVERY

For all full cost recovery fee items, an initial deposit shall be collected to cover the City’s full cost, including overhead, incurred in conjunction with review and processing as requested by applicant. Additional funds may be collected, as required, to cover City costs. Should the application be withdrawn at any time, the deposit shall be adjusted to cover the City’s actual costs, including overhead, up to that time. Any funds remaining on deposit at the time of the completion or withdrawal of the application shall be returned to the depositor, after accounting for expenses incurred to date.

See Master Fee Schedule Fee Bulletins 1-100 and 1-200 for additional discussion of full cost recovery and current hourly rates.
