The Art Exhibit Policy is intended to provide guidelines for potential exhibitors and Library staff and outlines which exhibit space is available at the Chula Vista Public Library.

**Art Exhibit Space**

Although very small exhibits are occasionally mounted at the EastLake and Civic Center Branch Libraries, the primary exhibit space for art within the Chula Vista Public Library system is the Rosemary Lane Galería at the South Chula Vista Branch Library, located at 389 Orange Avenue. The gallery space consists of 98 linear feet of wall hanging space and open floor space of 15 x 45 ft with areas of up to 20 ft in height. Gallery hours will be the same as Library hours.

**Selection Process**

The exhibition facilities are offered by invitation of the Exhibit Committee. The Committee consists of a minimum of four members and includes a Library Manager, a member of the Friends of the Chula Vista Public Library, and at least two members of the Cultural Arts Commission. Materials for exhibit consideration are submitted to the Chula Vista Public Library. Exhibit space is available to groups and individuals on an equitable basis. The Committee will consider a wide range of artistic expression in deciding on potential exhibitors. However, in deciding the suitability of any work, the Committee is particularly mindful that the display area is used by all segments of the community and all age groups. For this reason, exhibits may be restricted because they represent religious or political bias, a controversial issue likely to cause offence, such as depictions of violence or nudity. All exhibits will be considered on a case-by-case basis and the committee may request that specific works are excluded. Exhibits may not include defaming or obscene materials as defined by the U.S. Supreme Court, or material which would lead to breach of peace or which advocates the violation of State criminal laws. It is not the intent that the exhibit space be used for advertising for commercial enterprises or political candidates. The views in the works exhibited are those of the artists and are not necessarily those of the Exhibit Committee or the Library. The Library Director reserves final approval over any recommendation of the Committee.

Applications will be processed on a first come/first served basis, with scheduling priority given to local exhibitors and exhibitors who have not previously presented an exhibit.

Applications shall be completed in detail on the *Art Exhibit Application* provided and signed by the individual submitting the application or by an officer of the organization, if it is a group’s application. It is the responsibility of the signatory to be aware of exhibit policies and to communicate these policies to those individuals participating in the exhibit. Along with the application form, artists should submit photographic representation of their work. Photographs and printouts will be accepted. Artists should submit no less than five and no more than 12 images in clear protective sleeves, with the artist’s name clearly visible on each image. After initial review, the Committee may request that the artist submit actual samples. The Committee will determine the date and duration of an exhibit, but will attempt to accommodate an artist, once selected. The length of exhibition will be a minimum of one (1) month and up to a maximum of six (6) months. The committee reserves the right to select individual works or may provide an opportunity for a one-person show or participation in a themed exhibit.
The committee seeks to present a variety of diverse exhibitions by local artists in the visual and literary arts and to promote awareness of local artists, the Chula Vista Public Library and the Friends of the Chula Vista Public Library. Residence in Chula Vista is not required, but may be considered in the selection process. Works of art may be offered for sale, but this is not a requirement and will not affect decisions by the committee. If a submission is not selected for an exhibit, artists are invited to resubmit new work after one (1) year.

Liability

The exhibitor must complete and submit the Exhibitor Release/Consignment Agreement Form which unconditionally releases the City of Chula Vista, its elected and appointed officials and employees, the Exhibit Committee and the Friends of the Chula Vista Public Library, from any liability in connection with the exhibit. The City does not accept liability for damages, losses or theft to the materials exhibited. The exhibit space must be left in satisfactory condition. Exhibitors using the space assume liability for damages to City property resulting from said usage, as assessed by the City. The Library will dispose of abandoned exhibit materials after reasonable effort has been made to contact the exhibitor.

Sales and Commissions

Works of art may be offered for sale, with prices established by the artist. The City will not serve as sales agent, but will provide interested persons with a list of prices and contact information. The artist is responsible for conducting the sale of any work directly with the purchaser. Works that are not available for purchase must be designated “NFS” (Not for Sale). Works sold must remain on exhibit throughout the designated period. In lieu of a standard gallery sales commission, the City requests that in return for the opportunity of exhibition, a contribution equal to 20% of the selling price of each work sold is to be made to the Friends of the Chula Vista Public Library and the Gayle McCandliss award prior to the opening of the exhibit to be divided equally.

DISCUSSION:

Exhibition Procedures

Within two weeks of being notified that a submission was accepted for exhibition, the artist must contact the exhibit coordinator to arrange the following: (a) possible exhibit dates (b) final selection of works to be exhibited and (c) other deadlines, especially for promotional purposes. All art must be suitably framed, with hanging apparatus (screw eyes and wire) or mounted and stabilized on a pedestal or in a display showcase provided constructed. Work that is fragile in nature or whose framing or display arrangement is of questionable durability may be rejected. Framed art work must be installed on the wall by the artist. All frames, armatures and mounting arrangements must be secured to the gallery’s hanging system or be free standing within the gallery space. Installation of exhibits must be coordinated with the library.

The exhibit area is open to the public only during the regular open hours of the Library. Interested artists may arrange for a reception to be held at the library, at their own expense, provided appropriate space is available and the event is open to the public. The Committee may ask that the artist participate in a presentation to discuss their work. Participating artists are encouraged to promote their exhibit through invitations and announcements. The Library will arrange for a press release to inform the general community about the exhibit. Permission to photograph and reproduce any work accepted in the exhibition for publicity purposes is considered granted unless otherwise stated in writing. For each work, the artist is to provide a display card or title label indicating the name of the work, artist’s name and medium. Prices will
not be displayed on individual works, but will be available as part of the exhibit information available to the public. All other promotional materials must be approved by the Exhibit Coordinator.

At least two weeks prior to installation, artists are responsible for submitting a completed “Exhibitor Release/Consignment Agreement Form” listing all works that are to be shown, together with the selling price (or, “NFS”, if not for sale) dimensions, and medium. The listing must include the artist’s name, telephone number and instructions for contacting the artist are to arrange for the purchase of any artwork. Artists are also requested to include a brief biography and artist’s statement.

The exhibitor is responsible for the installation and dismantling of the exhibit as scheduled with the exhibit coordinator. The exhibitor assumes total responsibility for the transportation of all work to and from the Library. If the Library must dismantle an exhibit because it is not removed as scheduled, the Library is not responsible for any damages and the exhibitor will be billed for staff time. The Library does not provide staff to serve as attendants during an exhibit.

The Exhibit Coordinator and the Committee must be notified of any changes in the information included on the submitted application form or the Exhibitor Release/Consignment Agreement Form. Upon receipt of such changes, the application shall be re-evaluated to determine compliance with the provisions of this policy. The exhibit coordinator must be notified of all cancellations as early as possible. While the Committee will do its utmost not to interfere with scheduled exhibits, the Committee reserves the right to cancel any exhibit for a Library or City sponsored exhibit. Every effort will be made to give as much advance notice as possible, and the cancelled exhibit will be rescheduled.
