Bulletin No. 2012-01 • June 14, 2012

## **NFPA 13-D (DWELLING): TRANSFER OF FIELD INSPECTION WORK**

This memo shall serve as notice to all Fire/Life Safety Contractors and Developers that the Chula Vista Fire Department will transfer field inspections associated with National Fire Protection Association (NFPA) 13-D (Dwelling) systems to the Building Department effective July 01, 2012. However, the Fire Department will continue to review and approve all system plans; therefore, said plans shall continue to be submitted to the Fire Prevention Division. Once Fire has reviewed and approved the plans, they'll be forwarded to the Building Department. Field inspection work can be coordinated directly through the Building Department by calling 619-409-5434.

Please let us know if you have any questions.

Thanks you for your cooperation in making our community fire safe.
