

DRIVEWAY CONSTRUCTION PERMIT REQUIREMENTS FORM 5507

The following items are to be completed before a Construction Permit may be issued:

- Complete Construction Permit Form
- Submit Application Fee: **\$290** (Acct. No. 408735-3741; Tran Code 0224)
- Submit security in accordance with Table I (below). Security may be in the form of:
 - U.S. Currency
 - Certified cashier's check from a local institution
 - Surety Bond
 - Letter of Credit from a local institution
- Show proof of proper licensing to perform work [Class A, Class B (if doing on-site work) or Class C-8].
- Submit **original** Certificate of Insurance indicating adequate coverage (minimum aggregate amount of \$1,000,000). Certificate to include City of Chula Vista as "Additional Insured" and "Certificate Holder".

Table 1
Bonding & Fee Amounts

Driveway Widths (Including Flares)	Bond Required*	Inspection Fee
16-20 feet	\$1,500	\$680
21-25 feet	\$2,100	\$680
26-35 feet	\$2,600	\$680

*Bond amounts are predicated on Unit Prices contained in the City of San Diego's *Unit Price List for Estimating Subdivisions and Permit Bonds* and includes a multiplication factor of 1.5 for those jobs estimated below \$20,000.

Note: Residential driveway widths are limited to a maximum of 25 feet and Commercial driveways a maximum of 35 feet unless a Driveway Variance is applied for and granted (see Form 5517).
