

# *Master Composter*

TRAINING COURSE

*Classes are now forming!*

*No experience needed. Six-week  
hands-on training with  
instruction, lectures, field trips,  
and discussions.*

After course graduation and 30 additional hours of community service, participants will be certified to teach others about composting at workshops or events!

**Call (619) 691-5163 for more information.**
